Linea Garden

Tutta la linea garden può essere fornita in kit di montaggio.

Il kit è composto da: schemi di montaggio, mattoni e pezzi sagomati, nelle quantità e tipologie indicate nelle singole tabelle.

In alternativa

Tutta la linea garden può essere fornita prefabbricata su base in calcestruzzo, completa degli accessori metallici, trespolo e coperchio per i pozzi, cassetta per la raccolta della cenere, griglia e coperchio per i barbecue.

FRA

La totalité de la ligne Garden peut être fournie en kit de montage. Le kit est composé de schémas de montage, briques et pièces façonnées dans les quantités et les typologies indiquées dans chacun des tableaux.

EN ALTERNATIVE

Toute la ligne Garden peut être fournie préfabriquée sur une base en ciment et comprenant les accessoires métalliques, le tréteau et le couvercle pour les puits, le tiroir destiné à recueillir les cendres, la grille et le couvercle pour les barbecues.

ENG

The entire garden range can be supplied in ready-to-assemble kit form. The kit includes: assembly diagrams, bricks and shaped elements, in the amounts and types indicated in the individual tables.

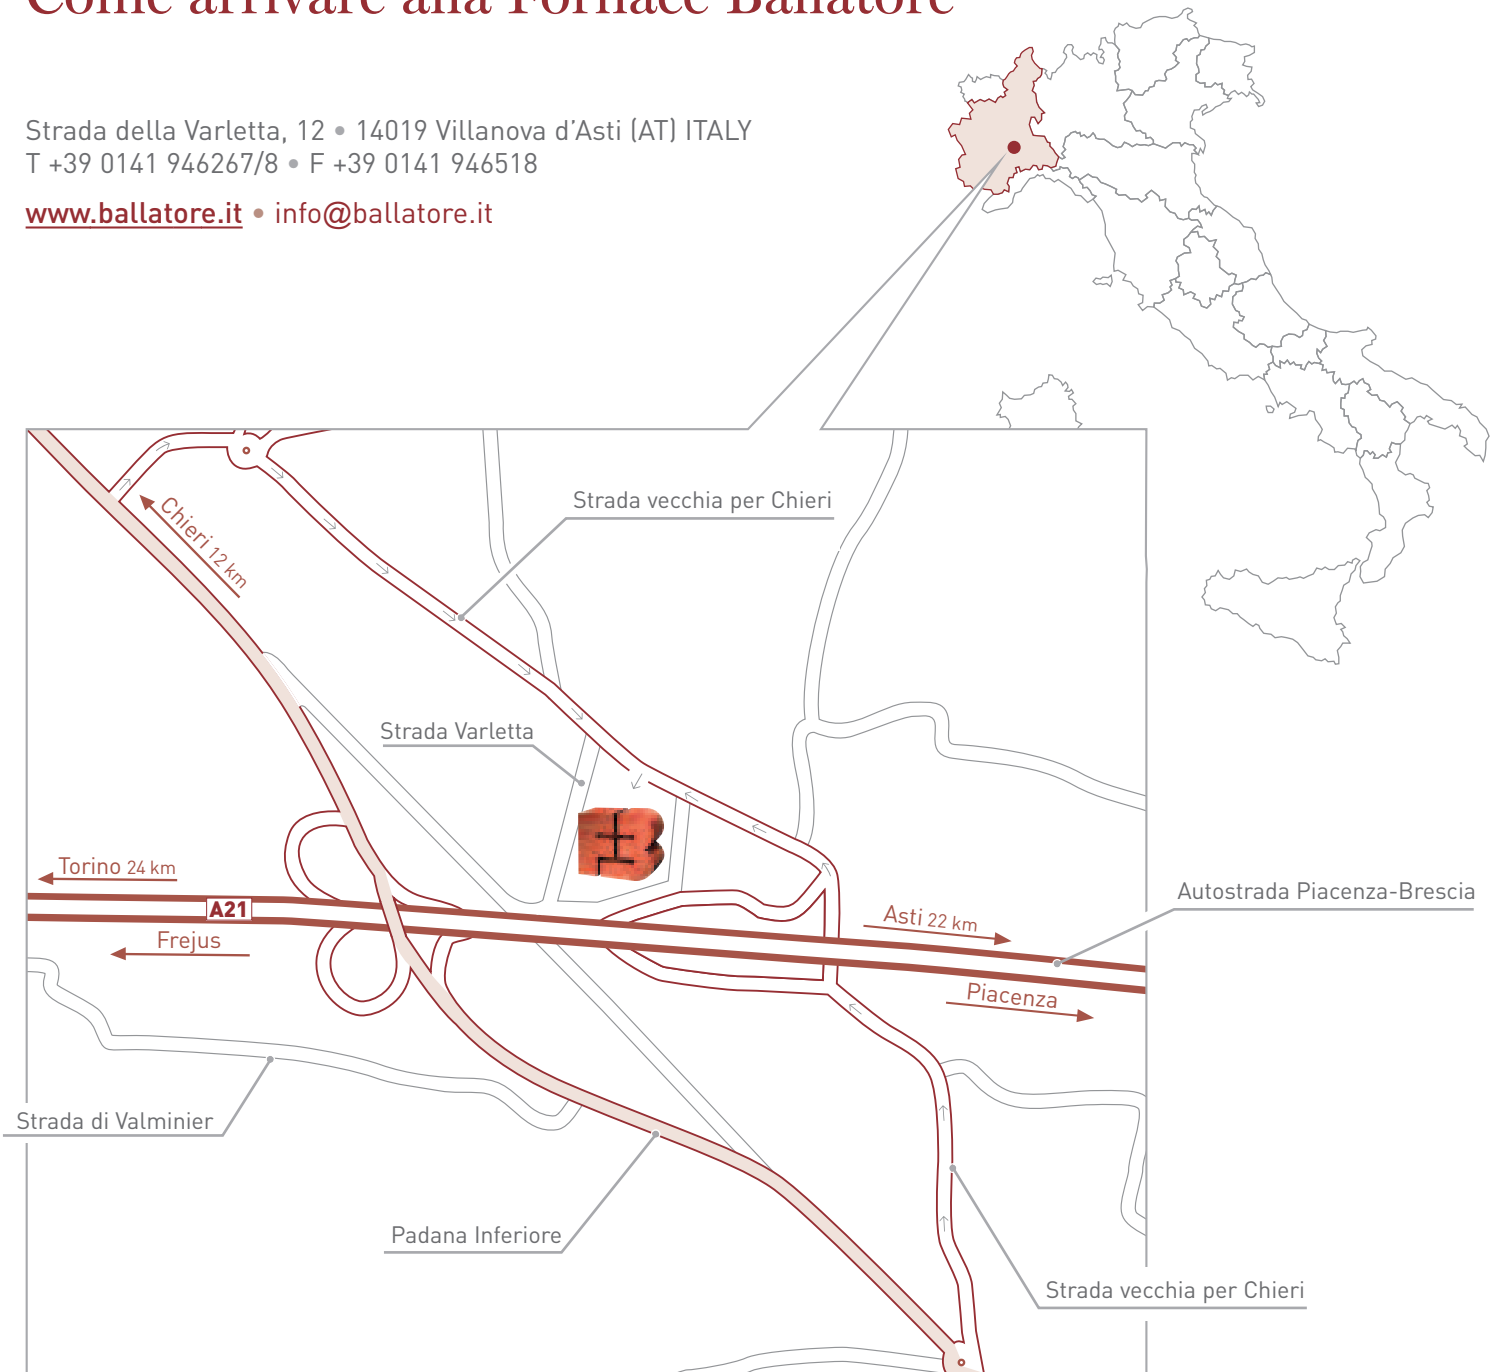

ALTERNATIVELY

The entire garden range can be supplied fully assembled on a concrete base, complete with metal accessories, trestle and cover for wells, or ash box, grill and cover for barbecues.
